## **PLEASE NOTE: ALL FESTIVAL PARTICIPANTS!!**

The St. Louis African Arts Festival has gone **Green!**

The 2015 Festival will be the fifth year of single-stream recycling and we need your help to do more this year. Plans are to provide a **dedicated dumpster for the disposal of cooking oil for food vendors. Please dispose all grease/ cooking oil in this special dumpster.** Also, look for the recycling containers next to the black trash cans. There will be a sign that will tell you what to recycle. Thank you for helping us put litter in its place – out of the landfills!

**PLEASE NOTE: No Styrofoam containers!** Food containers must be recyclable #1 or #2 containers, not #3 containers.
